About MUABSA

Makerere University Agribusiness Students Association (MUABSA) is a technical association that represents the interests of agribusiness disciplines in Makerere University.

It further participates in activities that create a network between the association and the stakeholders in the field of agribusiness and agriculture related fields.

The Agribusiness Week

MUABSA in collaboration with Africa agribusiness academy and FK Youth Mentoring Network are organizing an Agribusiness Week on the theme, “ The impact of ICT gender, health, environment and finance in enhancing agribusiness value chain in Uganda”, slated for 12th-17th of September 2016 .

The event will have a number of activities which are shown in the activity program of the week, with an aim of sensitizing the communities in Kampala urban and peri- urban areas and stake holder involvement in agribusiness.

Objectives of the Agribusiness Week

The major objectives include:

1. Provide an opportunity for stakeholders to exhibit their products on the assigned day so as to enhance more market for their products.
2. Share experiences and best practices on agribusiness services and identify new and innovative opportunities to improve agribusiness skills of people.
3. Encourage more networking and building strategic alliances in agribusiness

Target number of attendance

- Over 300 students from Makerere University
- Over 5000 people from each market place equating to 15000 people and above
- Over other 100 people from different organizations
- We also expect youth entrepreneurs, farmer organizations, financial institutions, business associations among others
- The total target population is over 15400 people

During the agribusiness week, stake holders will share experiences strategies, market their products and also engage people from the public to interact with businessmen about their products.
