

Professor and Director, Directorate of Research and Graduate Training	
Department of Agribusiness and Natural Resources Economics, School of Agricultural Sciences, College of Agricultural and Environmental Sciences, Makerere University P.O. Box 7062, Kampala, Uganda Tel: +256 414-530983 Mobile: +256 774515366 Email: buyinza@caes.mak.ac.ug Alternative Email: buyinza@rgt.mak.ac.ug Skype: buyinzamukadasi	
Professional Training and Experience	<p>1999: PhD Forest Management, Gadjah Mada University, Indonesia</p> <p>1996: M.Sc. Environmental Science, Gadjah Mada University, Indonesia</p> <p>1991: B.Sc. Geog/Econ, Makerere University, Kampala, Uganda</p> <p>2005-2007: Post-doctoral Programme, Norwegian University of Life Sciences, Dept. International Development and Environmental Studies, Norway.</p> <p>2000-2002: Post-doctoral Programme, Institute of Food and Agric. Sciences (IFS), University of Florida, Funded by Cochran Fellowship Programme, Dept of Agriculture, USA.</p>
Academic Certificates	<ul style="list-style-type: none"> • 2002: Certificate in local level management of Trees for Sustainable Land-Use, Wageningen University, The Netherlands. • 2000: Certificate in Communication Skills, Rockefeller Foundation Soft Skills Enhancement for Agricultural Animal Husbandry Professional Staff, Kampala • 1995: Certificate in Remote Sensing and Resource Mapping, Gadjah Mada University, Yogyakarta Indonesia • 1993: Diploma in Human Resource Management, Sainte Monique Business Institute, Yogyakarta Indonesia.
Research Interests/Expertise	<p>Buyinza Mukadasi, as over 20 year experience of University research and teaching in the field of Forestry and Natural Resource Economics. He has grown through the University service to the rank of Full Professor (Oct. 2010) at Makerere University. He has successfully supervised over 100 MSc., 10 PhD students and served as academic mentor to 15 Postdoctoral fellows in the fields of forestry, environment and natural resources management. He has been Principal investigator (PI) to about 10 International multi-institutional research projects including the Makerere-Sweden bilateral research programmes, 2015 – 20202 worthy USD\$40 million. As a member of the Teaching & Learning Committee, he participated in the restructuring process of the Makerere University and in handling of the transition process. He has spearheaded several national and international research and development projects in the fields of forestry, environment and natural resource management. He is the Ugandan Team Leaders for the “Protected Area Management, Climate Change and Poverty in Africa” Project, 2007 – 2011. He Championed the World Bank Research and Development Project focusing on strengthening Forests, Poverty and Climate Change linkages in Africa, Madagascar, and Asia. He served as Chairperson, Board of Directors of the National Forestry Authority (2010 – 2015). His research interests include forest resources economics, ecosystem health and community livelihoods. He has published widely especially in the field of forest management</p>

	<p>approaches, economics of biodiversity conservation, and environmental impact assessment studies. Has a wealth of consultancy experience with special focus on Environmental Incomes and Rural Income (Funded by Cochran Fellowship Programme, USA); Natural resource management for rural livelihood enhancement; Decentralized forest service delivery for rural development in the Uganda (FAO Funding).</p>
